Examiner Saoud has requested applicants to elect one of the following groups for prosecution in this application:

- I. Claims 121-131, drawn to a method of treating a patient by inhibiting KGF by the administration of a DNA probe;
- II. Claims 121-131, drawn to a method of treating a patient by inhibiting KGF by the administration of heparin and a peptide that is based upon said antibody.

Applicants hereby elect group I for further prosecution in this case and preserve the right to pursue the subject matter of group II as a divisional application.
